Pennsylvania Governor's Order Compliance

This is a trying time for all of us, but unlike most we are a tight knit community full of caring residents and businesses. The police department wants to make sure that we are all doing everything we can to help stop the spread of the Coronavirus.

On March 17, 2020 Governor Wolf issued a statewide mitigation to all restaurants and bars to close dine-in facilities to help stop the spread of COVID-19. On March 19, 2020 Governor Wolf signed an order for the closure of all businesses that are not life sustaining.

Failure to comply with any part of the governor's orders may have severe penalties including quarantining of employees and criminal penalties. The business may also be subject to losing health and other licenses required to maintain a business.

It is my belief that our community will comply and help stop the spread of COVID-19. We are all in this together and together as a community we will come out of this stronger.

If you are sick or suspect that you may have the COVID-19 virus, please isolate yourself at home and contact your doctor or the hospital by phone before visiting. A CDC guideline is attached.

Please Stay Safe,

Chad Stewart

Chad Stewart
Chief of Police

COMMONWEALTH OF PENNSYLVANIA

OFFICE OF THE GOVERNOR

ORDER OF

**THE GOVERNOR OF THE COMMONWEALTH OF PENNSYLVANIA REGARDING THE
CLOSURE OF ALL BUSINESSES THAT ARE NOT LIFE SUSTAINING**

WHEREAS, the World Health Organization and the Centers for Disease Control and Prevention (“CDC”) have declared a novel coronavirus (“COVID-19”) a “public health emergency of international concern,” and the U.S. Department of Health and Human Services (“HHS”) Secretary has declared that COVID-19 creates a public health emergency; and

WHEREAS, as of March 6, 2020, I proclaimed the existence of a disaster emergency throughout the Commonwealth pursuant to 35 Pa. C.S. § 7301(c); and

WHEREAS, I am charged with the responsibility to address dangers facing the Commonwealth of Pennsylvania that result from disasters. 35 Pa. C.S. § 7301(a); and

WHEREAS, in addition to general powers, during a disaster emergency I am authorized specifically to control ingress and egress to and from a disaster area and the movement of persons within it and the occupancy of premises therein; and suspend or limit the sale, dispensing, or transportation of alcoholic beverages, firearms, and combustibles. 35 Pa. C.S. § 7301(f); and

WHEREAS, in executing the extraordinary powers outlined above, I am further authorized during a disaster emergency to issue, amend and rescind executive orders, proclamations and regulations and those directives shall have the force and effect of law. 35 Pa. C.S. § 7301(b); and

WHEREAS, in addition to my authority, my Secretary of Health has the authority to determine and employ the most efficient and practical means for the prevention and suppression of disease. 71 P.S. § 532(a), 71 P.S. 1403(a); and

WHEREAS, these means include isolation, quarantine, and any other control measure needed. 35 P.S. § 521.5.

NOW THEREFORE, pursuant to the authority vested in me and my Administration by the laws of the Commonwealth of Pennsylvania, I do hereby ORDER and PROCLAIM as follows:

Section 1: Prohibition on Operation of Businesses that are not Life Sustaining

All prior orders and guidance regarding business closures are hereby superseded.

No person or entity shall operate a place of business in the Commonwealth that is not a life sustaining business regardless of whether the business is open to members of the public. This prohibition does not apply to virtual or telework operations (e.g., work from home), so long as social distancing and other mitigation measures are followed in such operations.

Life sustaining businesses may remain open, but they must follow, at a minimum, the social distancing practices and other mitigation measures defined by the Centers for Disease Control to protect workers and patrons. A list of life sustaining businesses that may remain open is attached to and incorporated into this Order.

Enforcement actions will be taken against non-life sustaining businesses that are out of compliance effective March 21, 2020, at 12:01 a.m.

Section 2: Prohibition on Dine-In Facilities including Restaurants and Bars

All restaurants and bars previously have been ordered to close their dine-in facilities to help stop the spread of COVID-19.

Businesses that offer carry-out, delivery, and drive-through food and beverage service may continue, so long as social distancing and other mitigation measures are employed to protect workers and patrons. Enforcement actions will be taken against businesses that are out of compliance effective March 19, 2020, at 8 p.m.

Section 3: Effective Date and Duration

This order is effective immediately and will remain in effect until further notice.

GIVEN under my hand and the Seal of the Governor, at the city of Harrisburg, on this nineteenth day of March two thousand twenty, the year of the commonwealth the two hundred and forty-fourth.

Tom Wolf
TOM WOLF
Governor

PROCLAMATION OF DISASTER EMERGENCY

March 6, 2020

WHEREAS, a novel coronavirus (now known as "COVID-19") emerged in Wuhan, China, began infecting humans in December 2019, and has since spread to 89 countries, including the United States; and

WHEREAS, the World Health Organization and the Centers for Disease Control and Prevention ("CDC") have declared COVID-19 a "public health emergency of international concern," and the U.S. Department of Health and Human Services ("HHS") Secretary has declared that COVID-19 creates a public health emergency; and

WHEREAS, the Commonwealth of Pennsylvania ("Commonwealth") has been working in collaboration with the CDC, HHS, and local health agencies since December 2019 to monitor and plan for the containment and subsequent mitigation of COVID-19; and

WHEREAS, on February 1, 2020, the Commonwealth's Department of Health activated its Department Operations Center at the Pennsylvania Emergency Management Agency's headquarters to conduct public health and medical coordination for COVID-19 throughout the Commonwealth; and

WHEREAS, on March 4, 2020, the Director of the Pennsylvania Emergency Management Agency ordered the activation of its Commonwealth Response Coordination Center in support of the Department of Health's Department Operations Center, to maintain situational awareness and coordinate the response to any potential COVID-19 impacts across the Commonwealth; and

WHEREAS, as of March 6, 2020, there are 233 confirmed and/or presumed positive cases of COVID-19 in the United States, including 2 presumed positive cases in the Commonwealth; and

WHEREAS, while it is anticipated that a high percentage of those affected by COVID-19 will experience mild influenza-like symptoms, COVID-19 is a disease capable of causing severe symptoms or loss of life, particularly to older populations and those individuals with pre-existing conditions; and

WHEREAS, it is critical to prepare for and respond to suspected or confirmed cases in the Commonwealth and to implement measures to mitigate the spread of COVID-19; and

WHEREAS, with 2 presumed positive cases in the Commonwealth as of March 6, 2020, the possible increased threat from COVID-19 constitutes a threat of imminent disaster to the health of the citizens of the Commonwealth; and

WHEREAS, this threat of imminent disaster and emergency has the potential to cause significant adverse impacts upon the population throughout the Commonwealth; and

WHEREAS, this threat of imminent disaster and emergency has already caused schools to close, and will likely prompt additional local measures, including affected county and municipal governments to declare local disaster emergencies because of COVID-19; and

WHEREAS, this threat of imminent disaster and emergency situation throughout the Commonwealth is of such magnitude and severity as to render essential the Commonwealth's supplementation of emergency resources and mutual aid to the county and municipal governments of this Commonwealth and to require the activation of all applicable state, county, and municipal emergency response plans.

NOW THEREFORE, pursuant to the provisions of Subsection 7301(c) of the Emergency Management Services Code, 35 Pa. C.S. § 7101, et seq., I do hereby proclaim the existence of a disaster emergency throughout the Commonwealth.

FURTHER, I hereby authorize the Pennsylvania Emergency Management Agency Director or his designee, to assume command and control of all statewide emergency operations and authorize and direct that all Commonwealth departments and agencies utilize all available resources and personnel as is deemed necessary to cope with this emergency situation.

FURTHER, I hereby transfer up to \$5,000,000 in unused appropriated funds to the Pennsylvania Emergency Management Agency for Emergency Management Assistance Compact expenses related to this emergency, to be decreased as conditions require, pursuant to the provisions of section 7604(a) of the Emergency Management Services Code, 35 Pa. C.S. § 7604(a). In addition, I hereby transfer up to \$20,000,000 in unused appropriated funds, to be decreased as conditions require, to the Pennsylvania Emergency Management Agency pursuant to section 1508 of the Act of April 9, 1929 (P.L.343, No. 176) (the Fiscal Code), 72 P.S. § 1508. The aforementioned funds shall be used for expenses authorized and incurred related to this emergency. These funds shall be credited to a special account established by the Office of the Budget. I hereby direct that any funds transferred herein that remain unused after all costs related to this emergency have been satisfied shall be returned to the General Fund.

FURTHER, All Commonwealth agencies purchasing supplies or services in response to this emergency are authorized to utilize emergency procurement procedures set forth in Section 516 of the Commonwealth Procurement Code, 62 Pa. C.S. § 516. This Proclamation shall serve as the written determination of the basis for the emergency under Section 516.

FURTHER, I hereby suspend the provisions of any regulatory statute prescribing the procedures for conduct of Commonwealth business, or the orders, rules or regulations of any Commonwealth agency, if strict compliance with the provisions of any statute, order, rule or regulation would in any way prevent, hinder, or delay necessary action in coping with this emergency. Commonwealth agencies may implement emergency assignments without regard to procedures required by other laws, except mandatory constitutional requirements, pertaining to performance of public work, entering into contracts, incurring of obligations, employment of temporary workers, rental of equipment, purchase of supplies and materials, and expenditures of public funds.

FURTHER, pursuant to the powers vested in me by the Constitution and laws of the Commonwealth pursuant to 51 Pa. C.S. § 508, I hereby authorize the Adjutant General of Pennsylvania to place on state active duty for the duration of the emergency disaster proclamation, such individuals and units of the Pennsylvania National Guard, for missions designated by the Pennsylvania Emergency Management Agency, as are needed to address the consequences of the aforementioned emergency.

FURTHER, I authorize the Commissioner of the Pennsylvania State Police to use all available resources and personnel in whatever manner he deems necessary during this emergency to assist the actions of the Pennsylvania Emergency Management Agency in addressing the consequences of the emergency.

FURTHER, I hereby authorize the Secretary of the Pennsylvania Department of Health, in her sole discretion, to suspend or waive any provision of law or regulation which the Pennsylvania Department of Health is authorized by law to administer or enforce, for such length of time as may be necessary to respond to this emergency.

FURTHER, I hereby authorize the Secretary of the Pennsylvania Department of Education, in his sole discretion, to suspend or waive any provision of law or regulation which the Pennsylvania Department of Education is authorized by law to administer or enforce, for such length of time as may be necessary to respond to this emergency.

FURTHER, if investigations made on my behalf determine that the Commonwealth needs greater flexibility in the application of state and federal motor carrier regulations to accommodate truck drivers involved in emergency activities during this emergency, I hereby direct the Commonwealth Department of Transportation to waive or suspend any laws or federal or state regulations related to the drivers of commercial vehicles.

FURTHER, I hereby direct that the applicable emergency response and recovery plans of the Commonwealth, counties, municipalities and other entities be activated as necessary and that actions taken to implement those plans be coordinated through the Pennsylvania Emergency Management Agency.

STILL FURTHER, I hereby urge the governing bodies and executive officers of all political subdivisions affected by this emergency to act as necessary to meet the current exigencies as legally authorized under this Proclamation, namely, by the employment of temporary workers, by the rental of equipment, and by entering into such contracts and agreements as may be required to meet the emergency, all without regard to those time consuming procedures and formalities normally prescribed by law, mandatory constitutional requirement excepted.

GIVEN under my hand and the Seal of the Governor, at the City of Harrisburg, this sixth day of March in the year of our Lord two thousand twenty, and of the Commonwealth the two hundred and forty fourth.

Tom Wolf
TOM WOLF
Governor

Order of the Secretary of the Pennsylvania Department of Health Regarding the Closure of All Businesses That Are Not Life Sustaining

To protect the public from the spread of Coronavirus (COVID-19), it is necessary that no person or entity shall operate a place of business that is not a life sustaining business regardless of whether the business is open to members of the public. Therefore, under the authority granted to me by law, I hereby order:

- 1) No person or entity shall operate a place of business that is not a life sustaining business regardless of whether the business is open to members of the public. This prohibition does not apply to virtual or telework operations (e.g., work from home). Life sustaining businesses may remain open, but they must employ social distancing practices and other mitigation measures defined by the Centers for Disease Control to protect their workers and patrons. A list of life sustaining businesses that may remain open is attached to and incorporated into this Order.

Enforcement actions will be taken against non-life-sustaining businesses that are out of compliance effective March 21, 2020, at 12:01 a.m.

- 2) All restaurants and bars are ordered to close their dine-in facilities to help stop the spread of COVID-19. Businesses that offer carry-out, delivery, and drive-through food and beverage service may continue, so long as social distancing and other mitigation measures are employed to protect workers and patrons.

Enforcement actions will be taken against businesses that are out of compliance effective March 19, 2020, at 8 p.m.

COVID-19 is a contagious disease that is rapidly spreading from person-to-person. People infected are capable of exposing others to COVID-19 even if their symptoms are mild, such as a cough. Additionally, exposure is possible by touching a surface or object that has the virus on it and then touching one's mouth, nose, or eyes. Spread by persons who are asymptomatic has not been ruled out.

Multiple areas of the United States are experiencing "community spread" of COVID-19, which means that the illness is being transmitted through unknown sources, not from known areas of infection. Mass gatherings increase the risk of transmission and community spread. Case counts of COVID-19 are rapidly increasing in the urban areas of the Commonwealth and especially our eastern counties, and cases are beginning to appear in other counties suggesting that community spread is occurring.

Symptoms of COVID-19 may include fever, cough, and shortness of breath. Older adults and people who have serious chronic medical conditions are at a higher risk for serious illness. Early symptoms may also include chills, body aches, sore throat, headache, diarrhea, nausea/vomiting, and runny nose.

On March 6, 2020, the Governor issued a Proclamation of Disaster Emergency due to the emergence of COVID-19 in the United States and the Commonwealth of Pennsylvania. Since the Commonwealth of Pennsylvania confirmed its first case of COVID-19, positive cases have continued to rise. As of March 19, 2020, the Commonwealth of Pennsylvania has 185 positive cases.

Non-life sustaining businesses present the opportunity for unnecessary gatherings, personal contact and interaction that will increase the risk of transmission and the risk of community spread of COVID-19.

COVID-19 is a threat to the public's health, for which the Secretary of Health may order general control measures, including, but not limited to, closure, isolation, and quarantine. This authority is granted to the Secretary of Health pursuant to Pennsylvania law. *See* Section 5 of the Disease Prevention and Control Law, 35 P.S. §§ 521.1; 521.5, sections 2102(a) and 2106 of the Administrative Code of 1929, 71 P.S. § 532(a) and 536 and the Department of Health's (Department) regulations found at 28 Pa. Code §§ 27.60-27.68 (relating to disease control measures; isolation; quarantine; movement of persons subject to isolation or quarantine; and release from isolation and quarantine). Particularly, the Department has the authority to take any disease control measure appropriate to protect the public from the spread of infectious disease. *See* 35 P.S. §§ 521.5; 71 P.S. § 532(a), and 1402(a); 28 Pa. Code § 28.60. The Department determines that the appropriate disease control measure based upon COVID-19, the manner of its spread in the Commonwealth and in the world, and its danger to Pennsylvanians, is the closure of non-life sustaining businesses as outlined in this order to prevent and control the spread of disease.

Accordingly, the closure of non-life sustaining businesses is necessary to protect the public's health. This Order shall take effect immediately and remain in full force and effect until further notice.

Rachel Levine, MD

What to do if you are sick with coronavirus disease 2019 (COVID-19)

If you are sick with COVID-19 or suspect you are infected with the virus that causes COVID-19, follow the steps below to help prevent the disease from spreading to people in your home and community.

Stay home except to get medical care

You should restrict activities outside your home, except for getting medical care. Do not go to work, school, or public areas. Avoid using public transportation, ride-sharing, or taxis.

Separate yourself from other people and animals in your home

People: As much as possible, you should stay in a specific room and away from other people in your home. Also, you should use a separate bathroom, if available.

Animals: Do not handle pets or other animals while sick. See [COVID-19 and Animals](#) for more information.

Call ahead before visiting your doctor

If you have a medical appointment, call the healthcare provider and tell them that you have or may have COVID-19. This will help the healthcare provider's office take steps to keep other people from getting infected or exposed.

Wear a facemask

You should wear a facemask when you are around other people (e.g., sharing a room or vehicle) or pets and before you enter a healthcare provider's office. If you are not able to wear a facemask (for example, because it causes trouble breathing), then people who live with you should not stay in the same room with you, or they should wear a facemask if they enter your room.

Cover your coughs and sneezes

Cover your mouth and nose with a tissue when you cough or sneeze. Throw used tissues in a lined trash can; immediately wash your hands with soap and water for at least 20 seconds or clean your hands with an alcohol-based hand sanitizer that contains at least 60-95% alcohol covering all surfaces of your hands and rubbing them together until they feel dry. Soap and water should be used preferentially if hands are visibly dirty.

Avoid sharing personal household items

You should not share dishes, drinking glasses, cups, eating utensils, towels, or bedding with other people or pets in your home. After using these items, they should be washed thoroughly with soap and water.

Clean your hands often

Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, clean your hands with an alcohol-based hand sanitizer that contains at least 60% alcohol, covering all surfaces of your hands and rubbing them together until they feel dry. Soap and water should be used preferentially if hands are visibly dirty. Avoid touching your eyes, nose, and mouth with unwashed hands.

Clean all "high-touch" surfaces every day

High touch surfaces include counters, tabletops, doorknobs, bathroom fixtures, toilets, phones, keyboards, tablets, and bedside tables. Also, clean any surfaces that may have blood, stool, or body fluids on them. Use a household cleaning spray or wipe, according to the label instructions. Labels contain instructions for safe and effective use of the cleaning product including precautions you should take when applying the product, such as wearing gloves and making sure you have good ventilation during use of the product.

Monitor your symptoms

Seek prompt medical attention if your illness is worsening (e.g., difficulty breathing). **Before** seeking care, call your healthcare provider and tell them that you have, or are being evaluated for, COVID-19. Put on a facemask before you enter the facility. These steps will help the healthcare provider's office to keep other people in the office or waiting room from getting infected or exposed.

Ask your healthcare provider to call the local or state health department. Persons who are placed under active monitoring or facilitated self-monitoring should follow instructions provided by their local health department or occupational health professionals, as appropriate.

If you have a medical emergency and need to call 911, notify the dispatch personnel that you have, or are being evaluated for COVID-19. If possible, put on a facemask before emergency medical services arrive.

Discontinuing home isolation

Patients with confirmed COVID-19 should remain under home isolation precautions until the risk of secondary transmission to others is thought to be low. The decision to discontinue home isolation precautions should be made on a case-by-case basis, in consultation with healthcare providers and state and local health departments.
